Back to Dance Guidelines

We are excited to continue to dance in person with all of you and want to share what we are doing to help keep our dancers, families, and staff as safe and healthy as possible.

Classes

- Because of class size and health limitations for many families, all classes will allow for a blend of in-person and online learning.
- At this time, tuition students will only be permitted into the studio. Drop-in and class card students will be able to take classes online, but not in-person.
- Class card students who are interested in taking classes in-person can call the office to put their class card on hold and reserve a spot by switching to tuition for the time being.
 - Due to health regulations, in-person classes have a limited capacity. Because of these restrictions and new sanitization requirements, our class pricing has been adjusted for in-person classes. For more information on pricing, click [HERE](#).
- Spots for in-person classes can **ONLY** be reserved by calling the studio office at (805) 225-6078. Online students as well as class card and drop-in students can still register through our online enrollment system, ClassBug.
- Students or parents of students under the age of 18 years old who will be taking in-person classes will need to fill out an additional waiver before their first class.
- Clients wishing to speak with the front desk may do so over the phone or by scheduling an appointment. Any clients or employees will be required to wear a mask for any in-studio appointments.

COVID Protocols

- Students and families should avoid congregating outside and must maintain social distancing when waiting for class.
- **Check-In:** Students and staff will have their temperature taken and answer a brief health questionnaire to determine if they are well enough to attend classes each time they come to the studio. Students and staff with a temperature of 100.4°F or higher will not be permitted to participate in class.
- Masks must be worn at all times by students, teachers, and staff.
- Students must sanitize or wash their hands before and after classes. Staff must wash their hands before and after classes. Sanitizing throughout class as necessary is highly encouraged.
- Students and staff are highly encouraged to self-screen for symptoms at home before coming to the studio. If students or staff exhibit any symptoms or feel unwell, they are expected to notify the studio immediately and stay home. You can also find a symptoms test online [HERE](#).
- Students and staff who live with or have come in contact with someone diagnosed with COVID-19 are expected to notify the studio immediately and stay home.

Outdoor Classes

- Students will be checked in at the front of the studio as per the process above before being directed to their class area. Studio T classes will be in the back parking lot. Studio D and Studio N classes will be in the outdoor dance space in the front parking lot.
- Students will not have access to cups for water and must bring their own water bottles.

Indoor Classes

- Studio D classes will enter through the door on the left side of the building. Studio N classes will enter through the door on the right side of the building. Only students for Studio T can enter through the lobby.
- Only students attending classes are allowed to come into the studio. Observers and parents will not be permitted inside. Curbside drop-offs and pick-ups are recommended.
- Students will not have access to cups for water and must bring their own water bottles.

We apologize for any inconvenience and appreciate your flexibility and understanding during this time.

Thank you for your help to keep our dance community safe!
